Principal's Notes

Swimming Sports :

The Baimbridge College House Swimming Sports will be held tomorrow, Friday 15th February at Hughan Park. Normal classes will not run on that day. No pass outs will be provided for students to leave the pool during the day unless they are with a parent. All students should come to school in the morning as usual and we will move to the pool as a group. Students should bring their lunch, sunscreen, a hat, a drink and should be in uniform unless they are competing in an event. I welcome parents to attend to support students who are participating and if you can help with the organisation please contact Miss Cogger or Mrs McArthur.

Transition Information :

Next week, Baimbridge College will hold its Year 6 to Year 7 transition day, on Tuesday 19th February. All schools have been invited to send all of their Year 6 students to experience a day at Baimbridge College. State Primary Schools in the area are aware of the change to an earlier program. This will be followed by an Information Night on the west campus on Wednesday 20th February from 6.00pm until 7.00pm. Tours of the school will also be held on Thursday 21st February beginning at 9.45am for an hour. Any families interested in the tour can book their place by ringing 55722788.

We trust that aligning our transition information with other schools will enable parents to make a realistic comparison of educational settings for their children and the educational opportunities available at Baimbrdge College.

We look forward to welcoming Year 6 students and their parents to our school and showing them the wonderful opportunities that Baimbridge College has to offer.

Scholarship :

Congratulations to 2012 Year 12 student Bianca Ferguson who has been awarded a University of Ballarat Year 12 Scholarship. The scholarship is recognition of Bianca's achievements and indicative of the potential that the university quite justifiably sees in a very capable and energetic student. Well done Bianca on behalf of all of us at Baimbridge College.

Principal's Notes Continued

Stopwork Action :

All students were given a notice to take home about the impact of the well publicised AEU stop work action on today, Thursday 14th February. Notification was also published on the Baimbridge College web site. In short the lack of staff at school meant that classes could not be covered for all Year 8, 9 and 10 classes.

School operations return to normal with the swimming sports on the following day.

New Parent Luncheon:

We would like to invite all parents of students who are new to Baimbridge College to lunch on Tuesday 26th February at 1.00pm in the VCE Centre on the east campus. This is a great opportunity to meet other parents and the teachers of your children. We look forward to meeting the parents of all of our new Year 7 parents as well as parents of students who have enrolled at Baimbridge College in other year levels.

Social Media :

I would like to remind both students and parents that while social media has established its place in our society for communication it is not the best vehicle to air complaints about others whether they be students or adults. Our cybersafety sessions at school have made it quite clear to students of the dangers of social media and that the best way to resolve issues is to discuss things with the individual. I urge all members of our community to be thoughtful about its use.

School Council :

The first School Council meeting for 2013 takes place on Monday 25th February. This will be the last meeting for the current council when the tenures of half the school council end. After this meeting we will ask for nominations for vacant positions for this year. Information will appear in coming newsletters.

Student Computer Information :

Information evenings for Year 7 and Year 9 / 10 laptop computer programs have now finished. The signing of agreements is now all that is required before the distribution of computers to students begins. I would like to thank all parents who made the time to come along and Mrs Dempsey, our eLearning Co-ordinator, for the presentations and for co-ordinating the Baimbridge College laptop computer programs.

Attendance:

I would like to remind parents how important it is that students attend all of their classes and do not miss any school if possible. I would also like to remind parents that we ask that if a student is absent that they bring a note of explanation on their return and give it to their form teacher in the morning at form assembly.

Access to Newsletters :

Baimbridge College produces a newsletter each week that will be distributed to parents by email or via the Baimbridge College website. To ensure you receive your newsletter please contact our front office on 55722788, so that they can be placed on our email distribution list.

If there are any questions or concerns I urge parents and guardians to contact myself, our Assistant Principals Ms Lyn Collins and Miss Rosemary Morgan or the relevant Co-ordinators.

BAIMBRIDGE COLLEGE

Lockers and Combination Locks

As mentioned in the last newsletter, Baimbridge College has issued lockers and combination locks to all students which provides all with a secure storage space..

The cost of this is $60. Most students have chosen to pay locker hire, if you have not yet done so could you please do so by the 22nd February. Any concerns, please contact Mrs Cath McGowan.

After that date if payment or an arrangement has not been agreed, your child's locker rights will be removed.

Ms Lyn Collins

Assistant Principal

Who am I ?

Every week we bring you a staff member school aged photo to see if you can deduce who it is…

No prizes other than the knowledge that they too once went to school and experienced the same things you are right now - and that you guessed correctly if you did!

Year 7 Camp 2013

On Monday 4th Feb, all Year 7's from Baimbridge went to camp to Halls Gap. We all got on the bus to leave, we all got put into three groups. When we arrived, group 1 was the first group to play a ball game, the aim of the game was to pass the ball to all of the group members and no one got it twice.

For tea we had a three course meal , first was a pumpkin soup, then the second meal was lamb roast, that was beautiful, the third meal was apple crumble. Everyone finished up their meals then we played table tennis and went to our cabins and got ready for bed.

EMA - Newsletter Information 2013

Education Maintenance Allowance - information for parents currently receiving EMA

Changes to the Education Maintenance Allowance (EMA) for 2013:

The EMA continues to help families on lower incomes with financial assistance to cover the cost of educational expenses including **textbooks, stationery, uniforms** and **excursions** for their child up until the age of 16.

From 2013, the Victorian Government is restructuring the EMA to better target financial support to families on lower incomes. Payments made direct to parents will be increased for eligible recipients at all year levels up to age 16, with an additional increase for parents with students in Years Prep and 7 in recognition of the additional costs at these transition points.

In 2013 the annual EMA payment for families with children in primary school (years 1-6) will receive a payment of $150. Families with children in secondary school (Year 8 up until the age of 16) will receive an annual payment of $250.

The School Start Bonus which was previously received by EMA families has been discontinued as a separate payment from 2013. However, additional funding has been incorporated into the EMA meaning that parents of children in Prep and Year 7 will receive boosted EMA payments of $200 and $300 respectively in those years.

From 2013, the EMA will no longer be paid 50/50 between the parent and the school. The 50% school portion of the EMA will no longer be paid to schools on behalf of parents. However, $62 million over four years will be redirected to the State's most needy schools to assist families on lower incomes. These funds will form part of the school Student Resource Packages to be allocated at the local level.

New EMA payment option

From 2013, on the EMA application form you can choose to have your EMA payment;

Paid by direct deposit (Electronic Funds Transfer) into your nominated bank account **or**

Paid by cheque which will be posted to the school for collection **or**

Paid to the school to be held as credit which you can use towards education expenses

MORE INFORMATION AND THE APPLICATION FORM: www.baimbridge-co.vic.edu.au

The introduction of the new payment option to have the EMA payment directed to the school provides parents with extra flexibility to assist with budgeting towards education expenses.

Eligibility:

To be eligible for the EMA in 2013, you must:

be either a parent or guardian of a primary or secondary school student up to the age of sixteen;
and
be an eligible beneficiary of a Centrelink pension, allowance or benefit within the meaning of the *State Concessions Act 2004** **or** be a Veterans Affairs (TPI) pensioner **or** be a temporary foster parent.
* i.e – the parent/guardian must be the holder of a valid Health Care Card or valid Pension Card.

The eligibility criteria must be met as at **29 January 2013** (Instalment One) and **15 July 2013** (Instalment Two).

The Conveyance Allowance - Do you qualify?

What is a conveyance allowance?

The transport of students to school is primarily the responsibility of student's families. The Department of Education and Early Childhood Development (DEECD) provides financial support to some families to assist with the cost of transport to school.

Assistance in the form of a conveyance allowance is available to students that are in rural and remote areas and do not have access to a free school bus. If you live more than 4.8km from school you may be eligible.

Where can I get an application form?

From the East General Office or off the website under Forms or Enrolment.

How do I calculate the distance?

The distance calculated should be based on the shortest practical route from the front gate of the student's address to the front gate of the school campus. Bing Maps is the DEECD's choice of online applications to calculate the distance.

Can we use Google and Whereis to calculate the distance?

DEECD's policy is that the distance should be calculated by using Bing Maps based on the student's address provided by the school they are attending by the shortest practical route http://www.bing.com/maps/

Occasionally parents or schools may wish to dispute a measurement provided by Bing Maps. DEECD +acknowledges that this technology cannot take into account all possible changes and events (i.e. floods, oad closures, new developments, etc). Therefore any applications with such disputes can be lodged by the school to the Student Transport Unit (STU) student.transport@edumail.vic.gov.au. It is important that supporting documentation is provided for prompt consideration.

LEARN ABOUT YOURSELF !

As Marcel Proust, a late 19th century novelist wrote: "the real voyage of discovery consists not in seeking new landscapes but in having new eyes". Volunteer to host an international high school student in July 2013 through Southern Cross Cultural Exchange and prepare to be amazed at the way this unique and rewarding opportunity helps your family to become closer, to understand themselves better and to see the world in a new light.

Carefully selected students will arrive in July for one or two semesters from France, Italy, Germany, Sweden, Norway, Denmark, Finland, Japan, and Spain. They will attend a local secondary school, arrive with their own spending money and comprehensive insurance cover – all arranged by Southern Cross Cultural Exchange. Visit us at our website www.scce.com.au, email scceaust@scce.com.au or call us toll free on 1800 500 501, request our international student profiles, and capture the spirit of family and friendship.
