PERMANENT LUNCH PASS REQUEST

Definition: A permanent lunch pass entitles a student to leave the school grounds with the permission of a parent or guardian for the express purpose of going to the address specified below, for lunch. The pass does not entitle other students to accompany the lunch pass holder nor is it a pass for a student to attend commercial premises to purchase lunch.

PLEASE NOTE:
Given that students with lunch passes will be leaving the school premises, it is expected that they, and/or their parents, will take care to ensure that they return to school on time for their afternoon classes.
Permanent Lunch Passes from previous years are no longer valid.
Permission to leave the school for any other purpose will require a separate request on the day.

I understand the reason for a Permanent Lunch Pass and accept the conditions of its intended use. I would therefore like to request a Permanent Lunch Pass for ________ (year)
