## Principal's Notes

### Welcome :

I am delighted to welcome all of our new students to Baimbridge College. From our new prep students and our large group of Year 7s right through to the many students who have joined us in Year 11 and 12. I would like to welcome the families of these students to our community and trust that being part of Baimbridge College leads to a satisfying experience.

I would also like to welcome back all of our 2013 students from their summer vacation and wish them a successful 2014.

We have adjusted our structures a little this year so that we now have a Year 5 – 8 Co-ordinator, Year 9 and 10 Co-ordinator and a Year 11 and 12 Co-ordinator. Their names are listed on the side panel of the next page so that you can contact them with any questions or issues.

### Dux :

Congratulations to Jonathon Frost who was our dux of Year 12 last year. Jonathon was closely followed by Brianna McAllan. Both Jonathon and Briana have been accepted into their first choice of tertiary studies as were the vast majority of the class of 2013. I would like to congratulate all of our Year 12 from 2013 and wish them success in their tertiary studies, gap year or career as the case may be.

### New Staff :

At the end of 2013 a number of long serving Baimbridge College staff took leave from teaching for 2014. They were Mrs Sue Smith, Mrs Jenny Clark, Mr David Fisher, Mr Peter Brooke, Mr Terry Sellars, Miss Sarah Jane McDonald and Miss Ilaria Daneluz. I would like to thank them for their contribution to Baimbridge College and the education of the young people of the district.

As a consequence we are pleased to introduce a number of new staff to our college to fill the roles that have been vacated. They are Mrs Lyn Collins (Year 11 and 12 Co-ordinator), Mr Chris Allen (Year 9 and 10 Co-ordinator), Miss Brylea Swanton (Physical Education), Miss Chiara Gallo (Italian), Miss Nardia Foley (Art and junior literacy) and I would like to welcome back Mrs Chelsea Carter (Mathematics) and Ms Sharon Herreen (Foods). Also new to our college are Mr Larry Loats (cert II Automotive) and Ms Kate Pye (cert II Hairdressing).

### Dunkeld Caravan Park :

We were very proud to see the cabin our cert III Carpentry students had built in 2013 delivered to Dunkeld during the holidays. Instead of building small projects the students, under the guidance of Mr Roger Kennett, built a full sized cabin which was commissioned by the Dunkeld Caravan Park. The cabin was lifted onto a truck and positioned on site during January. I would like to thank the many people who worked with our students to complete the project including plumbers, electricians and engineers and of course the team that lifted and delivered the cabin to Dunkeld. Thanks and well done to all involved.

### **Smooth Start :**

After two days of preparation and professional development for staff we had a very smooth start to the school year for all of our students last Thursday 30<sup>th</sup> January. We began by bringing the whole school together for a general assembly where parents and new students were welcomed and new staff were introduced to the student body.

After breaking down the whole school into form groups and covering some basic organisational tasks, students had their normal recess and went straight into classes period 3.

### **Awards Night :**

I would like to congratulate all the students who received awards or scholarships at the awards night at the end of last year. I would also like to thank the different clubs, organisations and individuals who make scholarships and prizes available to our students to support and encourage them in their studies.

### **Year 7 Camp:**

As I prepare this newsletter all of our Year 7 students are settling into their orientation camp at Norval Camp in Halls Gap. They are accompanied by their form teachers and year level co-ordinator as well as other staff who will guide them through introductory and team building activities in preparation for their membership of and study in Year 7 this year. Also in attendance to support our new students are student leaders and peer support leaders all of whom have the intention of smoothing the transition to secondary school for everyone in Year 7. They will have spent three days in Halls Gap before returning and we will have more information in next week's newsletter about their activities.

### **Mrs Rae Dempster :**

Mrs Rae Dempster was a past teacher of the Hamilton High School who took up her position in 1946. Mrs Dempster taught Physical Education and was Sports Mistress and occasionally relieving Deputy Principal. She was known as an energetic and enthusiastic teacher who inspired many students. Mrs Dempster retired from teaching in 1979. She subsequently had the Rae Dempster Trophy named after her in 1994, the trophy being presented to the house that was the Grand Aggregate Champion for the year.

Sadly, Mrs Dempster passed away on the 25<sup>th</sup> of January 2014 and I would like to pass on the condolences of the Baimbridge College community to her family.

Her memory will live on through the Rae Dempster Trophy.

### **Student Computer Information :**

This year all students from Year 7 – 10 will have access to their own computer 24 hours every day and seven days per week and their text books will be electronic and loaded on their computer. Information nights for the different year levels will be held before any student is presented with their computer. The Year 9 information evening was held this past Monday and the Year 7 and new Year 8 information evening is scheduled for Monday 10<sup>th</sup> February. Information for these was circulated last year and reminders placed on Compass this year.

Any questions regarding the meetings or the programs can be directed to Mrs Kym Dempsey. Year 11 and 12 students have also been offered the opportunity to have their own computer using the same program available to Year 7 and 8 students. This involves the purchase of prescribed machines that are then administered and supported by Baimbridge College technicians. For further information please contact our Teaching and Learning Co-ordinator Mrs Kym Dempsey.

# Principal's Notes Continued

## **Swimming Sports :**

The Baimbridge College House Swimming Sports will be held on Friday 14<sup>th</sup> February at Hughan Park. No classes will run on that day at school. No pass outs will be provided for students to leave the pool during the day unless they are with a parent. All students should come to school in the morning as usual and we will move to the pool as a group. Students should bring their lunch, sunscreen, a hat, a drink and should be in uniform unless they are dressed in house colours. I would welcome parents to attend to support students who are participating and if you can help with the organisation please contact Miss Cogger or Mrs McArthur.

## **Transition Information :**

In keeping with the trend set by other schools in the area, Baimbridge College will hold its Year 6 to Year 7 transition day early again this year, on Tuesday 18<sup>th</sup> February. State Primary Schools in the area are aware of this arrangement and we are inviting all Year 6 students to attend a day of schooling at Baimbridge College to discover what we have to offer. This will be followed by an Information Night also on the west campus on Tuesday 18<sup>th</sup> February and then tours of the school during the day on Thursday 20<sup>th</sup> February.

We trust that aligning our transition information with other schools will enable parents to make a realistic comparison of educational settings for their children.

We look forward to welcoming Year 6 students and their parents to our school and showing them the wonderful opportunities that Baimbridge College has to offer.

## **Baimbridge College Website ([www.baimbridge-co.vic.edu.au](http://www.baimbridge-co.vic.edu.au)):**

I would like to remind parents that Baimbridge College has a website thanks to the work of Mrs Jill Robinson. I encourage parents to familiarise themselves with the website as it contains a more comprehensive list of school information than it has in the past. I would like to thank Mrs Robinson for the excellent job she has done constructing and maintaining the new site.

## **Compass :**

Our online student management system, Compass, will continue to be used this year. Parents should have their own personal log on which is different to their son or daughter's. The system is accessible anywhere the internet is available on computer, smart phone, tablet or other mobile device. The website is <https://baimbridge-co.vic.jdlf.com.au/login.aspx> If you require more information accessing the system please contact the school. There is a link on our website to help you should you forget the address.

## **Access to Newsletters :**

Baimbridge College produces a newsletter each week that will be distributed to parents by email or via the Baimbridge College website. To ensure you receive your newsletter please contact our front office on 55722788, so that they can be placed on our email distribution list or just log on to our website each week.

If there are any questions or concerns I urge parents and guardians to contact myself, our Assistant Principals Mr John Hill and Miss Rosemary Morgan or the relevant Co-ordinators listed on the previous page.

**Robert Vecchiet**

**Principal**

Need information on the Conveyance Allowance?

Follow this link:

## 7 Tips for More Energy in the Mornings

January 24th, 2014

Comments Feed

### 1. Don't hit that snooze button

Hitting snooze and drifting back to sleep is so tempting in the morning. The problem is that doing this interrupts your hormone cycle making it harder to start your day. Try putting your alarm across the room so you're forced to get up to turn it off. Or make a small investment in an [alarm clock that rolls off your nightstand](#) and makes you chase after it to turn it off.

### 2. The 10 minute rule

Instead of drifting back to sleep in the morning try to follow the 10 minute rule. Commit to staying awake for at least 10 minutes when you first wake

up. You'll usually lose the urge to go back to sleep after that time. Drag yourself to the bathroom or outside. Sleep walk yourself if you have to.

### 3. Let in the light

Natural or artificial light in the morning will help optimise your body's wake up process.

### 4. Get moving

Exercise in the morning is one of the most effective ways of giving yourself an energy boost for the rest of the day. Even if you're not an exercise person and high intensity exercise will only fatigue you further doesn't mean you should skip this. Try something easy like going for a morning walk. Studies have found regular exercise can increase generally energy levels by 20 per cent.

### 5. Eat a bigger, healthier breakfast

Is your breakfast a piece of toast or croissant and a coffee? The carbs and caffeine combo is a recipe for crashing. Instead go for unrefined carbs (quick energy) plus lean protein and healthy fat (takes longer to digest giving you a slower burn of energy). Try scrambled eggs in a whole grain wrap or oatmeal with nuts and fruit.

### 6. Have a cold shower

The benefits of having a cold shower are endless. Besides boosting energy levels cold showers can also improve your immune system, fat loss, better circulation, relief from symptoms of depression, healthy skin and hair, tolerance to stress – the list goes on! [Read more about the benefits of cold showers here plus references.](#)

### 7. Go easy on the caffeine

Drinking coffee sets off a remarkable process in the body. It tricks your brain into thinking the body is in a state of emergency which results in a hormone released telling your adrenal glands to produce adrenaline. It also results in a faster heart beat, slower blood flow to the surface of your body, increase blood flow to muscles, blood pressure rises, liver re-

Kings Cars via Mitsubishi have donated a cricket set valued at \$750 to our school.

Pictured are our students Chantal Chase and Travis Scott (in blue Baimbridge jumpers) along with representatives from Kings Cars and other school representatives.

The Baimbridge Community is very grateful to Kings Cars and Mitsubishi and will put the new cricket equipment to very good use.

## 1-2-3 Magic and Emotion Coaching

Open to the general public

A parenting program to create a more peaceful household,  
less arguing and fewer angry moments.

1-2-3 Magic and Emotion Coaching program is easy to learn, easy to use, down to earth parenting program to help parents gently and firmly manage the behaviour of children in the 2-12 year old age range. Parents, Grandparents, Uncles, Aunts and Carers all welcome.

The program aims to help parents gain practical tips on how to get children to:

- stop doing the things that drive parents crazy like arguing, fighting, yelling etc.
- start to do things parents want children to do
- develop children's emotional intelligence

1-2-3 Magic provides parents with strategies to sort between different types of behaviour and use less talk, less emotion which lessens both parent and child feelings of emotional stress and helps children to understand and better manage their emotions.

Date: Thursdays: 27th February, 6th & 13th March—3 Week commitment required

Time: 9:30am – 12.00pm. Venue: Centacare Office, Level 1, 142 Timor Street, Warrnambool

Cost: Free (Sorry, no child care available)

For enquiries and bookings phone: Angela on 5559 3000 by 20th Feb 2014

A poster for the Deep South Metal Fest. The text is in a heavy, metallic, distressed font. At the top, it says 'D.S.M.G. PRESENTS DEEPSOUTH METAL-FEST SATURDAY 22ND FEBRUARY 2014'. Below this, there are two 'ALL AGES' logos. The main band names listed are XENOS, VIKES, HELLBORN, WOUNDED, and ABOVE SUSPICION - OUTLANDER - HEREAFTER. At the bottom, it says 'CITY BAND HALL PICK AVE. TICKETS - \$8. DOORS - 3PM. FOOD+DRINK. MERCHANDISE. GIVE-AWAYS. DRUG/ALCOHOL FREE.' and 'D.S.M.G. / DEEPSOUTH METAL AND GRIND'.

## Sacramental Meeting – St Mary's Church 2014

St Mary's Sacramental program begins with a meeting for parents and children on Wed, 12<sup>th</sup> Feb @ 7pm in the Dunworth Centre, followed by a commitment to begin the Sacrament program at the 10.30am mass on Sun, 16th Feb.

Year Books - Help Please

Our yearbook archives are incomplete. If you or if you know of anyone who might have copies of the following yearbooks:

Hamilton High School (The Grange) 1969 & 1973

and are willing for us to make a photocopy, please leave it at the Baimbridge East Office or at the school Library on the West Campus. The yearbooks will be returned to you ASAP.

If you no longer wish to keep the yearbooks we would be more than happy to accept them as a donation.

These year books are invaluable for reunions and for our school history.

Thanking you,

Mrs Dempsey, Mr Franks & Miss Van Hees.
