## Principal's Notes

### House Swimming Sports :

We had a wonderful day at the pool on Tuesday this week for the annual House Swimming Sports. In particular I would like to thank the many parents and friends of our students who came along to support the day. It was great to see so many turn up and cheer the swimmers on as well take the opportunity to chat to and get to know other parents in the Baimbridge College community. After a cool start we had a lovely warm afternoon with great competition. The overall winners were Laver House as a result of great participation from both the girls and the boys in the House. House Captains Lachlan McIntyre and Ashlea Stone accepted the winning trophy on behalf of all their swimmers from Sport Co-ordinator Mrs Jen McArthur and laid down a challenge to the other House to "catch them" when we come to the athletics sports at the end of term.

Individual age group winners were presented with medallions with an unusual triple dead heat in the U13 boy's category.

The annual staff student relay was won by a rejuvenated staff team – the challenge for students in 2016 is to turn the tables once again.

### Transition Day :

The Baimbridge College Year 6 to 7 transition program was a great success on Wednesday with a large number of district students taking the opportunity to find out more about secondary schooling at Baimbridge College. The Year 6 students spent a day going to classes to find out what our six period day felt like compared to primary school. As I have said before I trust this day gives parents and students the opportunity to make realistic comparisons of the different options open to them in Hamilton before they make their decision about secondary schooling. The day was followed by a parent information evening at 6.00pm that went over the educational opportunities that Baimbridge College has to offer.

Any family who missed the chance to be part of the transition day is welcome to contact Middle School Co-ordinator Mr Scott McFadden or Assistant Principal Mr John Hill for alternative opportunities to get a feel for our school.

I also want to thank Mrs Bernadette Cook and Mrs Jill Robinson for their work in organising the day and encourage families to contact them for details about the transition to Year 7 at Baimbridge College in 2016.

### Immunisations :

Take place tomorrow, anyone requiring last minute information about the program should contact Assistant Principal Mr John Hill.

### School Photographs :

These are being taken on Tuesday 24<sup>th</sup> February. Forms should be returned with money on the day. As usual we ask that all students are in full school uniform on this day.

### **Parent Tours :**

Today we held tours of the school for parents and students. This was a chance to see the school operating under normal conditions with all classes operating. We began at about 9.45am and finished around 11.30 with visitors being able to watch teachers and students go about their usual business.

Anyone who was unable to attend can organise an alternative time by contacting Mr Hill or Mr McFadden as mentioned above.

### **Parent Opinion Survey :**

I was checking the results of the parent opinion survey that was distributed last year to find out what parents think and feel about our school and would like to thank those families that took the time to complete the form and send it back to be processed by the education department and the results sent to me. Unfortunately less than a quarter were returned which makes it difficult to get an overall picture of parental opinions so we will be providing another opportunity in the near future. We will be in contact soon with some specific questions we would like to have your opinion about. I look forward to reading what you have to say.

### **School Council :**

Council meets again on this Monday 23<sup>rd</sup> February (4<sup>th</sup> Monday of the month during school term). There will be a minimum of eight meeting per year. Members will meet at 7.30pm in the Hamilton District Skills Centre dining room as usual. Agendas will be distributed next week.

Elections for vacated positions will be held later this term.

### **Student Computer Information :**

This year all we have further expanded access to 1:1 computers with Year 11 and 12 students having the option to be part of our school supported program. Any questions regarding the induction meetings or the program can be directed to Mrs Kym Dempsey. Along with the 1:1 computer program is the expansion of our online student management system Compass. There will be more information available to parents this year. Parents can log onto the system from the Baimbridge College website. This will also enable them to access their password. I can see a time in the future when student reports will be on Compass. Watch this space !!

This week I finally got to catch up with our 2014 Dux, Taylor Kearney, delayed due to my absence at the end of 2014. Taylor is about to head to Monash University to study a double degree in Computer Science and Physics. His ATAR score of 98.7 with a 50/50 in Maths Methods has proven that Baimbridge College students have access to a quality education second to none. The conversation I had with

Taylor was inspiring as he attributed his success to both a strong work ethic as well as the passion and dedication of his teachers. Well done and best wishes for what I am sure will be a very bright future Taylor.

## VCE Students and Parents/Guardians

The VCAA recognises that some students with an illness or disability may require Special Examination Arrangements to enable them to access the examination questions and communicate their responses in a timed examination.

There are six categories for application:

severe health impairment	significant physical disability
learning disability	severe language disorder
hearing impairment	vision impairment

Any student in year 11 or 12, studying a unit 3 and 4 subject or assessed VET course, who feels that they may be eligible for special examination arrangements, should contact Ms Taylor as soon as possible.

School Photos will be taken on the 24<sup>th</sup> of February. Students are to wear Summer Uniform, have their hair neat and tidy, girls to wear white or blue ribbons please. School jumpers must be worn in photos. If you do not have a school jumper one will be supplied for you. Family photos will be available, students will be given their photo forms to order online soon.

### **CAPs Interviews**

During the year all year 9-12 students will be requested to attend a Career Action Plan interview. This is a directive from the Education Department to ensure that the students in these year levels are aware of their career opportunities and the resources that are available to help them achieve their desired goal. These interviews are a valuable resource and are held every Monday and Tuesday in the CAPs room. Students are notified of the time and day of their interview through the Student Bulletin and it is their responsibility to record their time. All students are strongly recommended to attend these interviews Parent/Guardians can access their child's interview on Compass in the 'Insights' folder where they can leave a comment.

## State Schools' Relief

Providing tangible support to your school community

State Schools' Relief has provided school uniform and footwear to students of families experiencing financial difficulties in Victorian State Schools since 1930. This tradition continues today, with requests for support nearly doubling in 2015. As such, the Department of Education and Training has now provided additional funding to ensure the most vulnerable students receive their essential school items.

### Who can apply?

School principals and their welfare teams are best placed to assess and establish the level of student's needs. All principals are encouraged to access SSR to support vulnerable families.

### What is provided?

SSR provides school uniform items and footwear for children from their own supplies. Items are provided FREE OF CHARGE to families and are discreetly delivered to the school by courier within three working days, at no additional cost.

Should a uniform item be unavailable, SSR will pay a partial subsidy. SSR will also provide an email authorisation to the uniform supplier.

### How do I apply?

Principals and delegates should visit the SSR website ([www.ssr.net.au/schools](http://www.ssr.net.au/schools)), create a login for the school and apply online. For more information contact the SSR team on 9575 7900.

### School fundraising

As a not-for-profit charity that relies on the generosity of others, SSR appreciates and encourages all fundraising efforts by schools to benefit this essential program for Victorian families.

# Conveyance Allowance Program (CAP)

## Page Content

The conveyance allowance is a form of financial assistance to help families in rural and regional Victoria with the cost of transporting their children to their nearest appropriate school/campus. The conveyance allowance is available to eligible students travelling by public transport, private car and private bus. The conveyance allowance is also available to eligible students whose nearest school is not serviced by a free school bus.

## Eligibility criteria

The eligibility criteria varies depending on the type of school attended and where it is located.

Students attending a government or non-government school must:

- attend their nearest government or non-government school/campus appropriate to their year level at which admission is permissible
- reside outside Melbourne's metropolitan conveyance boundary
- reside 4.8km or more by the shortest practicable route from that school/campus attended be of school age (5 to 18 years old at time of application) and reside in Victoria.

Students attending a government or non-government specialist school or Department-recognised special setting must:

- attend their nearest government or non-government specialist school or Department-recognised special setting
- reside 4.8km or more by the shortest practicable route from that school/campus attended
- reside within the Designated Transport Area (DTA) for the government specialist school attended (applicable to government students only) be of school age (5 to 18 years old at time of application) and reside in Victoria.

## STUDENT EXCHANGE

**A ONCE-IN-A-LIFETIME OPPORTUNITY!**

World Education Program (WEP) Australia is now accepting applications from students who wish to participate in 2015/16 exchange programs for a summer, semester or year. Students can choose to study in a country of their choice and experience life with a carefully selected host family.

Exchange students return to Australia with maturity, confidence and in many cases, proficiency in another language. If learning another language is not for your child, excellent programs to the USA, Canada, the UK and Ireland are also available.

*I did it! 10 months in a foreign country, without knowing the language or culture. Thinking about all the amazing people I've met, the lessons I have learnt and things I have seen, I feel truly lucky to have been here living a different life. I have no regrets, as I have grown to be more mature, open to life and aware of the world around me. Despite it being hard, it has also been the best thing I have ever done for myself. I now feel ready to start life in Australia with a clearer idea of my strengths, weaknesses and my future goals. Exchange has really helped me define myself.*
