Principal's Notes

Parent / Teacher Interviews :

These take place this afternoon and this evening. Information was sent home with interim reports last week. Staff will be available from 4.00 – 5.30 and then again from 6 - 7.30pm. Interview times can be arranged through Compass using the 'how to' guide sent home with reports or you can telephone reception at school and you will be assisted to make appointments. We look forward to speaking to parents and realise that some staff have been completely booked up on the night and that appointments may need to be made on alternative dates. There will be a survey available at the two venues at school today to gather your opinions about the process and the amount of time you have to speak to teachers. I look forward to seeing your opinions and doing what we can to make interviews as effective as possible.

Smoking Bans :

This week's news bulletins have been full of information regarding the extension of smoking bans on school grounds. The new bans take effect from the start of term II and specify that smoking is banned within four metres of any entry to the school. We have many entries to Baimbridge College, and the implications of this ban is that no one is allowed to smoke within four metres of any of our gates. Responsibility for enforcement is with local authorities.

SRC Conference :

Seventy students from schools in the south west of Victoria attended Baimbridge College today as part of the SRC conference. Run by the Department of Youth Affairs through VicSRC the conference was aimed at training SRC representatives in leadership skills and hosting the event has been an additional learning for members of our own Baimbridge College student representative council.

Recognition for Citizenship :

We are often very quick to talk about things that go wrong but in this instance I would like to recognise the care, manners and courtesy of Year 11 student Brad O'Brien who was quick to go to the assistance of one of our staff who tripped over at school recently. Well done Brad, and thank you for being adult enough to go to the assistance of someone in need!

Council Meeting :

The first meeting of the new School Council for 2015 was held last Monday 23rd March. I would like to congratulate Mr Tony MacGillivray for his re nomination as community member. I would also like to congratulate Mrs Sarah Franks and Mr Shaun McIntyre for being elected president and vice president respectively. Next meeting takes place on Monday 27th April.

Rebecca Langley :

Rebecca Langley of Year 11 has recently been invited to attend a series of cross country running events in the USA in September this year. Rebecca received her letter of invitation through the school and has earned the invitation as a result of her excellent performances in the event over recent years. She will be in America for 16 days competing in at least 3 events and also having the opportunity to see a little of the country including some famous theme parks. Congratulations Rebecca !

Baimbridge College Website (www.baimbridge-co.vic.edu.au):

I would like to remind parents that Baimbridge College has a website thanks to the wonderful work of Mrs Jill Robinson. I encourage parents to familiarise themselves with the website as it contains a very comprehensive list of school information. I would like to thank Mrs Robinson for the excellent job she has done constructing and maintaining the site.

Compass :

Our online student management system, Compass, will be enhanced this year. Parents should have their own personal log on which is different to their son or daughter's. The system is accessible anywhere the internet is available on computer, smart phone, tablet or other mobile device. The website is <https://baimbridge-co.vic.jdlf.com.au/login.aspx> If you require more information accessing the system please contact the school. There is a link on our website to help you should you forget the address.

Access to Newsletters :

Baimbridge College produces a newsletter each week that will be distributed to parents by email or via the Baimbridge College website. To ensure you receive your newsletter you can contact our front office on 55722788, so that they can be placed on our email distribution list OR just log on to our website each week.

If there are any questions or concerns I urge parents and guardians to contact myself, our Assistant Principals Mr John Hill and Miss Rosemary Morgan or the relevant Co-ordinators.

In warm and blustery conditions, students from Primary Schools across Hamilton gathered at Pedrina Park on March 17th for the annual Athletics Carnival. With a slightly diminished team due to illness, the following 11 of our students from grades 4 to 6 enthusiastically and proudly represented Baimbridge College.

Tahlia Walker (6)	Rebekah Rainbird (4)	Georgia Farlech(6)
Alannah Barby (4)	Josh Page (6)	Ethan Farlech (4)
Toby Saunders (5)	Rebecca Thompson (6)	Justin Bray (5)
Holly Brotherston (6)	Lilly Stewart (5)	

What a team! Throughout the day they supported each other in the most positive of ways, volunteered to fill in for those unable to compete, assisted staff with the setting and packing up of events, applauded the efforts of others and most importantly gave their best effort in their events. Congratulations to Tahlia Walker from Grade 6 who took out the 11 Year Old Girls' Champion, she came first in all five of her individual events and has been invited to compete in the next level of competition held in Warrnambool during April. Thankyou to student helpers Lauren Dennert (year 10), Courtney Sanders (year 8), Dylan Turner (year 8), Reagan Mackenzie (year 8) and Marnie Whiting (year 8) who escorted our competitors to their events and ensured they were always at the right place at the right time, parent helpers Vicki Thompson, who diligently recorded Championship points all day, and Corina Stewart and all those who took the time to visit Pedrina Park and cheer on

Glenelg Division Aths—Fri 20th March

An enthusiastic and well organised team of over 80 competitors made their way to Casterton on Friday 20th March following a huge convoy of coaches and cars, hoping for a warmer and more successful day than 2014.

Baimbridge College students delivered with some outstanding performances from the following Age Group Champions:

20 & under girls – Mikayla Beavis

16 & under boys – Tom Scott

17 & under girls – Rebecca Langley

13 & under boys – Travis Scott

16 & under girls – Danielle Vankalken

13 & under girls – Laura Robinson

17 & under girls team won the Age Group Pennant and the following boys sections finished 2nd in their age group – 13 & under boys, 15 & under boys, 16 & under boys and 20 & under boys.

Once again we are holding 3rd place in the Girls Aggregate, Boys Aggregate and the Grand Aggregate, however with the strong performances of our team I'm sure we are getting closer to the top.

Enormous thanks to Mr Sly and Ms Robinson for supporting the team on the day and a special big thankyou to Ailie Steff in the Canteen for providing a lunch for our GD Athletics and Swimming representatives this term. It was certainly appreciated by the students .

Greater Western Sport Region Swimming Carnival—Wed 25th March

Daniel Battista, Lily Kyle and Tom Scott qualified for the GWSR Swimming Carnival after winning events at the Glenelg Division event.
