The 2015 Year 12 Cohort sing their farewell song in the Assembly this afternoon.

Principal's Notes

School Sport Victoria State Athletics Finals :

After our outstanding success at the zone finals in Ballarat a week ago, those students who qualified for the State finals went to Melbourne on Tuesday to compete. The simple fact that they qualified to compete at state level is something we should all be proud of, however a number of our students enjoyed success even at this elite level. Results that I have to hand are Mikayla Beavis second in the long jump and third in the high jump, Thomas Scott second in the hurdles and Travis Scott third in the shot put. This was a huge undertaking with students leaving school extremely early on Tuesday morning and then competing in Melbourne and getting home again around 11pm. On behalf of the school community I would like to congratulate all the team for qualifying to compete in Melbourne on Tuesday and for their performances on the day and to especially to Mikayla, Thomas and Travis congratulations on their wonderful achievement.

Year 12 :

Today is the last day for Year 12 students before their study break and then the first exam, English, on Wednesday 28th October. We enjoyed a breakfast with Year 12 and teaching staff in the morning before a formal assembly with the whole school to celebrate the end of 13 year of education and the first step out into the world of work or tertiary education. After the assembly a luncheon was held for students and their parents in the VCE Centre. It was lovely to see such support for the cohort from parents and friends.

I would like to wish our Year 12 students all the best and trust that they will be able to complete the year with the satisfaction of knowing that they did their best. I advised students to save any celebrations until after exams so that they can be sure that they are well prepared and rested when they are doing exams. There will be plenty of time later to relax. Now is the time to ensure that all the work during the year is not wasted with some poor decisions because classes have stopped.

Mr Scott McFadden :

Many in our community will by now be aware that Mr Scott McFadden will not finish this year with us due to illness. Mr McFadden had his last day in classes on Monday this week, ensuring that he stayed long enough to complete the year with his Year 12 classes. After giving up his position, earlier this year as Middle Years Co-ordinator to focus on his teaching we are sad that he has been unable to complete the 2015 school year. I am sure that I am not alone in wishing him well with his recovery and hoping that he will find himself in front of a classroom again soon.

Due to Mr McFadden's unexpected departure we have not yet put in place a permanent replacement but we are looking for someone as I type this newsletter.

7-10 Exams :

These began on Monday and will finish early next week. These exams will provide one measure of student achievements in subjects BUT DO NOT signal the end of their work for this year. There will be more units of work after the exams that will count towards marks and any considerations about promotion to the next year level.

School Council :

The next meeting of school Council is on Monday 26th October at 7.30pm in the dining room of the Hamilton District Skills Centre.

Presentation Ball 2016 :

It may seem a little early but we have already begun preparations for next year's Presentation Ball so that it can be held during term I and students can then focus on their studies for the remainder of the year. I am pleased to say that past teachers Mrs Sue Smith and Mr David Fisher have agreed to look after the organisation of the ball for next year. They will work closely with students and parents and the school and will have initial meetings of participants towards the middle of term IV this year. To avoid the duplication of work we have also agreed to work more closely with Monivae College for next year so that both Presentation Balls take place close to each other thus avoiding a lot of double up that takes place when the two events are weeks apart.

Bus Scholarships :

A small number of very capable students have been awarded bus scholarships for 2016 so far. Congratulations to these individuals, we look forward to having them as Baimbridge College students in 2016.

With the tightening up of eligibility rules for free bus travel, many students are no longer able to attend their school of choice without incurring quite large fees for bus travel. If this affects you, I would like to remind families that Baimbridge College is able to make available a bus scholarship to students who live outside our 'catchment' and satisfy a set of school based requirements. The scholarship will pay bus fees for a limited number of successful applicants. If you would like to apply for one of these scholarships please apply to me in writing and we will arrange an interview. Scholarships are valid for one year and may be reviewed more often if circumstances change.

100 Year Anniversary :

The new date for the 100 Year Anniversary celebration is now the Saturday of the Queen's Birthday long weekend in June, Saturday 11th June 2016.

Baimbridge College Website (www.baimbridge-co.vic.edu.au):

I would like to remind parents that Baimbridge College has a website that contains virtually all the information that a parent or student could need about Baimbridge College and its processes. I encourage parents to familiarise themselves with the website as it contains a very comprehensive list of school information. If you still have questions after checking the site please contact our office on 55722788.

Access to Newsletters :

Baimbridge College produces a newsletter each week that will be distributed to parents by email or via the Baimbridge College website. To ensure you receive your newsletter you can contact our front office on 55722788, so that they can be placed on our email distribution list OR just log on to our website each week.

If there are any questions or concerns I urge parents and guardians to contact myself, our Assistant Principals Mr John Hill and Miss Rosemary Morgan or the relevant Co-ordinators.

Results - SSV State Athletics Finals - 2015

Congratulations to the following 12 Athletes from Baimbridge College who qualified for the finals at Lakeside Stadium on Tuesday 20th October.

We had some great performances by all students and I would like to thank those parents that attended and supported Baimbridge College.

Enormous thanks must also go to Ms Adams for her commitment to such a big day driving the bus to Melbourne and back home safely.

Primary School Music Tour

The Music Faculty wants to thank all students who participated in the Primary School Tour last Wednesday. We performed to Hamilton North Primary in the morning, had lunch at the Botanic Gardens, and then performed the second concert at Gray Street Primary. The tour was a great success and the music was very well received by the audience.

There was time for the Primary students to ask questions, and time for them to try some of the instruments they saw on stage.

We have also experienced a great team work under the leadership of six senior students, Teah Coate, Maddie Dohnt, Nathan Astbury, William Mibus, Patrick Nankivell and especially Mikhaela Janicki who motivated everyone to load and unload, setup and move the band very efficiently. It was great to see everyone doing something to help, and we hope that this spirit will continue. Well done!

At the end of last term a group of students mainly from year 7 and 8 took part in the COASIT annual Italian Performing Art Competition at the Melbourne Museum. This was a wonderful opportunity to participate in an event which involved other schools from Victoria where Italian is taught as a second language. The students put a lot of effort in preparing for the competition and they had a wonderful performance. This experience has helped them to boost their confidence in Italian and to increase their knowledge of the Italian language and culture. We would like to extend our congratulations to the following students: Steven Garland, Lily Brown, Gabe Corbidge, Marnie Whiting, Nea Gordon, Beth Granziera, John Garland.

PenPals in Year 7

Over the last few weeks students in 7C have had the opportunity to participate in a Pen Pal exchange with grade 6 students from Cohuna Consolidated Primary School. They were paired up with students from Cohuna and wrote a letter introducing themselves and these were sent by mail. They have since received their responses and it has been quite interesting for them to communicate and learn about students from another school. We look forward to seeing how these friendships develop over the rest of the term.

Miss Foley

Preparing for Year 7 in 2016

As our Year 12 cohort finish their Secondary Education, our Grade 6 students are about to embark on theirs. The students received their welcome packs last week from Mrs Cook and will experience a taste of what's to come next year on the 8th of December at the statewide orientation day when they spend the day with the students from primary schools around the district.

MINYIP FIELD AND GAME SHOOT

12 shooters attended the Minyip Shoot this week in very hot, dry and dusty conditions. We expect to have some students gain placings but as yet the results are not through. We will post them once they are in.

PRODUCT DESIGN WOOD

There have been many investigative opening of doors on this superb bar created by Mitch Jackson. With redgum bench tops, a wine rack and plenty of cupboard space. The bar is located in the West A Block corridor.

This beautiful bed is made from Redgum and is on display at the front door of the West Campus, Lachy McIntyre will be sleeping soundly after he moves it into his bedroom as it's very solid! Well done Lachy.

1-2-3 Magic and Emotion Coaching

A Parenting program to create a more peaceful household, less arguing and fewer angry moments.

Centacare, Warrnambool

Great Interaction between parents

Easy to follow strategies

More Confidence

1-2-3 Magic and Emotion Coaching program is an easy to learn, easy to use, down to earth parenting program to help parents gently and firmly manage the behaviour of children in the 2-12 year old age range. The program aims to help parents gain practical tips on how to get children to:

- stop doing the things that drive parents crazy like arguing, fighting, yelling etc.
- start to do things parents want children to do
- develop children's emotional intelligence

1-2-3 Magic provides parents with strategies to sort between different types of behaviour and use less talk, less emotion which lessens both parent and child feelings of emotional stress and helps children to understand and better manage their emotions.

For more information including competition forms & conditions and parent consent form, visit sunsmart.com.au/NSCAWcomp

To mark National Skin Cancer Action Week (November 15-21), SunSmart is asking Victorian secondary school students to create one powerful image to promote the message:

UV. It all adds up.

Ultraviolet (UV) radiation damages unprotected skin. And it just keeps adding up. It doesn't matter if it's deliberate tanning or unintentional exposure, the more time you spend unprotected in the sun, the greater your risk of skin cancer. The good news is that using a combination of sun protection measures (covering clothing, sunscreen, broad brimmed hat, shade and sunglasses) can reduce your risk.

The challenge: SunSmart is looking for one striking photographic image to communicate the UV. It all adds up message to young Victorians.

To enter, students must submit:

- One photographic or mixed media image. While not an essential requirement for entry, images can be annotated with slogans and catch phrases.
- Brief title for the entry.
- Accompanying artist statement (max 300 words) describing the intent of the photo and its linkage with the UV. It all adds up theme.
- Signed parent consent form available at sunsmart.com.au

Judging criteria: A show stopping photo that best conveys the message UV. It all adds up to young Victorians and inspires them to use sun protection measures.
