CREATIVE INDUSTRIES

2025 CUA20220 – Certificate II in Creative Industries

1 year program

COURSE DESCRIPTION

The Certificate II in Creative Industries is designed to develop skills and knowledge in media design, production and promotion. During the course, students will develop their story telling, planning and communication skills to create an industry standard media product. This is an excellent single-year option as students will obtain the full Certificate II qualification after successful completion of enrolled units.

LOCATION

Hamilton District Skills Centre

RTO

Training assessment and accredited AQF certification will be provided by Academy of Interactive Entertainment:
National RTO code (TOID) 88021
