### GET CAREER READY

We take a practical approach to teaching and learning so that our graduates can make a real impact in their chosen field. You can take part in internships and placements, student exchange programs and volunteer opportunities during your studies. Our Career Services team is also there to support you and get you ready for the workplace.

### CONNECTED LEARNING

Benefit from smaller class sizes. Get more one-on-one time with your lecturers and tutors, and additional support when needed. Our highly-experienced teaching staff are also there to help students studying a blended mode of on-campus and online learning. The Mount Gambier Campus is also home to one of the nation's fastest network systems, ensuring that students are well connected and have access to the best internet speeds during their studies.

### FLEXIBLE STUDY

Enjoy flexible learning through part-time, online and blended study options. This allows you to travel, work and study from any location. We offer:

- Flexible degrees with a combination of on-campus and online learning.
- The option to choose specific online subjects within your degree.
- 100% online degrees delivered by UniSA Online.

Students studying online can access all campus facilities, including computer pools, library resources and student support services. For more information see page 18.

### CAMPUS FACILITIES

We have invested heavily in our campus facilities to provide purpose-built study spaces for our students. The Mount Gambier Campus features state-of-the-art facilities, including the \$12.5 million Learning Centre, which has

simulated learning environments for nursing and midwifery students, social work studios, a technology-driven gallery space, cutting-edge IT infrastructure and a range of study and social spaces. The campus is also open seven days a week with full student access.

### STUDENT EXPERIENCE

It's important that you feel supported during your studies. Students have access to a full-range of services, including study support, personal counselling, disability services and career services. Our Campus Central team is located on-site and can point you in the right direction. We also have tailored services for Aboriginal students, including study assistance and mentoring opportunities.

# YOUR FUTURE, GUARANTEED

*New for Year 12s, there are now two ways to guarantee your place at UniSA.*

Unlike other university admissions you won't need to do any extra leg work. All you need to do is make sure that you put UniSA as your first preference, meet the guaranteed entry score, and then we'll admit you automatically on your best result – either by your Selection Rank or Year 12 subject grades.

Make us your first preference

Achieve the required Year 12 subject grades

or

Achieve the guaranteed Selection Rank score

## YEAR 12 GRADES

### Guaranteed Entry

UniSA is offering guaranteed entry based on your three best Year 12 subject grades for most degrees. If you achieve the selection grades and you put us as your first preference, that's it, you're automatically in.

Subjects need to be 20-credit Stage 2 Tertiary Admission Subjects (TAS). Students also need to achieve a minimum ATAR of 50.

## SELECTION RANK

### Guaranteed Entry

UniSA has set guaranteed entry scores for most of our degrees. This means, that if you achieve that set Selection Rank and you put us as your first preference, you're in. There's nothing more you have to do.

Some degrees also have prerequisites and other eligibility criteria for entry that you'll still have to meet. This is for both Year 12 Grades Guaranteed Entry and Selection Rank Guaranteed Entry.

## Remember your bonus points

Don't forget that high school students applying for university can also be eligible for Adjustment Factors (previously known as bonus points). These are based on set equity factors and/or subject choices. They're automatically added to your ATAR, giving you a more competitive Selection Rank score.

Check out our online Guaranteed Entry Calculator.

[unisa.edu.au/guaranteed](https://unisa.edu.au/guaranteed)

**We also offer TAFE/RTO Guaranteed Entry**

# YOUR PATHWAYS

*We have a range of alternative pathways for regional students to gain entry into university*

## UniSA COLLEGE

UniSA College offers alternative entry programs that can help you gain direct entry into a UniSA degree. These programs will prepare you for university study by building your academic skills and prerequisite knowledge. You will experience life as a UniSA student, learn from UniSA staff and have access to a full-range of support services. After successfully completing your UniSA College program, you will then be able to seamlessly transfer into a wide range of UniSA degrees. See page 12 for more information.

## SPECIAL TERTIARY ADMISSIONS TEST

If you don't have a competitive result from Year 12, TAFE/RTO or previous university study, you may qualify for special entry into your preferred UniSA degree by choosing to sit the STAT – a two-hour test made up of 70 multiple choice questions designed to measure your aptitude for tertiary study. Your results will be used to create a ranking that you can then use to compete for entry with other special entry applicants. To be eligible, you must be aged over 18 years by 1 February (or 1 July for midyear entry) in the year you wish to commence your study. We also offer full-day workshops to help you prepare.

## TAFE/RTO GRADUATES

A completed certificate IV, diploma or advanced diploma from TAFE or another RTO may be all you need to apply for a UniSA degree. If your completed VET award meets the UniSA Guaranteed Entry score, you have met the prerequisites and any specific entry requirements, and you have listed the degree as your first preference, you're guaranteed an offer. If you're successful in securing a place in a relevant UniSA degree, you may also be eligible to receive credit for your previous study, typically reducing the time it takes to complete the program. We also set TAFE/RTO cut-offs and you could be considered for entry with a lower qualification.

## OTHER OPTIONS

- Completion of a SAIBT diploma
- Completion of courses through Open Universities Australia (OUA)
- Completion of tertiary study at UniSA or another recognised university

Mount Gambier Campus	2 years full-time
On-campus/online	Intakes: Feb and Jul

SATAC code (Mount Gambier)	<b>476001</b>
Selection Rank:	<b>50.00</b> Guaranteed entry: <b>50.00</b>

Part-time study available

**Prerequisites:** none  
**Assumed knowledge:** none

This popular two-year program offers an alternative pathway into university study for students who don't meet direct entry requirements. On successful completion, you will be guaranteed entry into the Bachelor of Nursing (Mount Gambier) or other linked health degrees. In first year, you will learn foundation knowledge to prepare you for ongoing tertiary study and you will also start to explore health-related topics. In second year, you will seamlessly transfer into the first year of the bachelor degree.

#### Entry requirements

Applicants may be eligible if they have one of the following:

- A competitive Selection Rank of at least 50 (including adjustment factors).
- A STAT score of approximately 139 or higher.
- An interstate or overseas qualification considered by the University as an equivalent to SACE.
- A recognised Certificate III or Certificate IV from TAFE or a registered training organisation.

In addition, applicants must:

- Be an Australian citizen, a New Zealand citizen or the holder of an Australian permanent visa; AND
- Meet the relevant citizenship and residency requirements for a Commonwealth Supported Place.

Applicants who have completed a TAFE/VET award at diploma level or above, or who have studied at the higher education level for more than two years, will not be considered for admission into these programs.

## STUDY A DIPLOMA

UniSA College also offers a range of two-year diplomas, designed to provide direct entry into popular UniSA and UniSA Online degrees.

You will enrol as an external student and complete a blend of both on-campus and online study, with full access to student support services through the local Mount Gambier Campus.

In your first year, you will complete introductory courses relating to your chosen area of study, as well as core courses that will develop your critical writing, communication, numeracy and research skills. In second year, you will study first-year courses from your chosen UniSA degree. There are also packaged diploma options, which will guarantee your place into the linked UniSA bachelor degree (subject to academic criteria).

UniSA College diplomas include:

- Diploma in Arts
- Diploma in Business
- Diploma in Construction
- Diploma in Engineering
- Diploma in Information Technology
- Diploma in Science and the Environment

"I would highly recommend the Diploma in Health in Mount Gambier as it's really helpful in building your future goals, whichever path you decide to take. I have always wanted to help people in some way. This was my opportunity to get started on a career in nursing, something I have been considering for years."

Terri Veltman | Diploma in Health (Mount Gambier), Bachelor of Nursing

# STUDENT EXPERIENCE

## SUPPORTING YOU

### STUDY SUPPORT

We want you to achieve your best, so we offer a variety of study support services. You can access online learning resources, talk with a learning adviser, connect with a mentor, and receive free after-hours tutoring online. Our Study Help PALS are also available to provide friendly, informal study support at dedicated sessions on campus. They are current UniSA students who can help you with assignment writing, referencing and building your overall study skills.

[unisa.edu.au/studysupport](https://unisa.edu.au/studysupport)

### CAREER SERVICES

We want to get you career ready, so you can access our career services from first year. Make the most of our online Career Hub with a wide range of self-help resources, including tips on resume writing and practising your interview skills. There are professional job listings with some that are exclusive to UniSA students. You can also connect with a career adviser for help with career planning and attend industry events to build your professional networks.

[unisa.edu.au/careers](https://unisa.edu.au/careers)

### PERSONAL COUNSELLING

All UniSA students can access free and confidential face-to-face counselling to help manage a personal issue or to talk through any pressure points during your studies. We partner with local providers so that you can get independent support and advice when you need.

[unisa.edu.au/counselling](https://unisa.edu.au/counselling)

### ACCESS AND INCLUSION SERVICES

Our services range from facility and access requirements through to developing individual action plans for all students with a physical disability, mental health issue or medical condition.

[unisa.edu.au/access-inclusion](https://unisa.edu.au/access-inclusion)

### WIRRINGKA STUDENT SERVICES

We have teams to support the specific needs of our Aboriginal students, including tutorial assistance, a mentorship program, scholarships and grants, dedicated study spaces, and access to learning advisers both on campus and online. We also have an Aboriginal Student Engagement Officer on campus who can provide additional tailored support.

[unisa.edu.au/Wirringka](https://unisa.edu.au/Wirringka)

### SAFEZONE APP

All UniSA students can download the free SafeZone app, providing additional security and support when studying on campus. The app allows you to get help quickly in a personal emergency or if someone else needs first aid or general assistance. You can check-in when working alone or after hours, sharing your status with the UniSA security team. You can also receive notifications so you know what to do in an emergency situation.

## CAMPUS LIFE

### CAMPUS CULTURE

Explore our wide range of social activities, clubs and volunteering opportunities. There is always something for you to get involved with such as race days, winery visits, lunches, movies, and so much more. The central piazza also provides a great shared space where you can socialise and relax. If you're interested in building your leadership skills, we also offer unique scholarships that will give you the opportunity to develop new initiatives and events to enhance the overall student experience.

### EVENTS AND WORKSHOPS

We host several events throughout the year starting with a Welcome Party as part of Orientation. Other events on the calendar include, celebrations for Multicultural Week and Reconciliation Week, student dinners and family days, and other off-site social events. There are also learning workshops hosted on campus through virtual classrooms to help with your studies, along with workshops delivered by visiting academics from Adelaide.

### YOUR STUDENT ASSOCIATION

Connect with your student association – USASA. They are your voice at university and are responsible for advocacy work, organising social events, producing the student magazine and coordinating all student clubs.

[unisa.edu.au/USASA](https://unisa.edu.au/USASA)

### GLOBAL EXPOSURE

Expand your horizons through international field trips, work placements, internships, study tours, short-term programs, volunteer opportunities, conferences or a student exchange during your studies. You will graduate with a global and competitive edge, with international knowledge and experience.

*International travel is subject to Australian Government guidelines.*

# IN THE COMMUNITY

*We have a strong connection with the local community to help build a vibrant and thriving region.*

## CONNECTING WITH INDUSTRY

UniSA has rolled out its unique Future Industries Accelerator (FIA) program in Mount Gambier, which encourages meaningful collaborations with industry. Businesses across the Limestone Coast can utilise FIA to test product ideas or to help overcome technical challenges. FIA has become the destination of choice for new innovations and breakthroughs, and is always looking for new opportunities to collaborate. UniSA's world-class Centre for Business Growth has also been focusing on business development programs in the region, with initiatives designed to boost local skills in leading and managing growth in a global marketplace.

[unisa.edu.au/FIA](http://unisa.edu.au/FIA)

## FOREST RESEARCH MOUNT GAMBIER

UniSA has established a \$6 million forestry research and development hub on campus to support the South East's \$1.2 billion forest industry. The National Institute for Forest Products Innovation Hub is a partnership between UniSA and the state and federal governments, focusing on new research and solutions that can add value to industry and support economic growth in regional South Australia.

[unisa.edu.au/FPI](http://unisa.edu.au/FPI)

## HEALTHY FUTURES

The Limestone Coast Regional Sporting Academy (LCRSA) has developed a 12-month program for young local athletes with great sporting potential, focusing on strength training, body conditioning and elite education. As a Foundation Partner, our Mount Gambier Campus is the host venue for all education programs and athletes access regular testing at UniSA's High Performance Centre in Adelaide. The program is all about nurturing local talent, providing good education and removing hurdles to help young athletes reach their goals.

[LCLGA.sa.gov.au](http://LCLGA.sa.gov.au)

## CHANGING LANDSCAPES

The Wattle Range Council and UniSA STEM have established a partnership that creates opportunities for student placements and joint research projects. The partnership will examine challenges relating to biomass, wind turbines, townscapes and coastal erosion, which will benefit the local council area and beyond.

## COMMUNITY SPONSORSHIPS

We sponsor local organisations and initiatives to support and celebrate the community. Key sponsorships include the Western Border Football League, Pioneers Basketball, Blue Lake Fun Run, Sir Robert Helpmann Theatre's Community Circle, and Women in Business and Regional Development (WiBRD). We also sponsor local secondary school award nights throughout the Limestone Coast and South West Victoria.

### Pedal Prix

One of our largest community sponsorships is the UniSA Australian HPV Super Series. The competition sees teams race Human Powered Vehicles (HPV's) on a closed circuit, with one stage held in Mount Gambier attracting hundreds of riders and spectators. UniSA is the naming rights sponsor and is focused on promoting education, the development of sustainable communities, healthy lifestyles, quality research, and innovation.

[pedalprix.com.au](http://pedalprix.com.au)

*"The City of Mount Gambier supports the work of UniSA's Mount Gambier Campus, providing people of all ages with access to tertiary education. The campus provides local people with the opportunity to upskill and value-add to the community in areas such as education, midwifery, nursing and social work, and is an important drawcard for those considering making a life in our city."*

Lynette Martin OAM | Mayor of Mount Gambier

# RELOCATING TO ADELAIDE

As a regional student, you can also choose to relocate and study at one of the UniSA campuses in Adelaide. Depending on your chosen degree, you might be based at City West, City East, Magill or Mawson Lakes. Here are some useful tips to help you make a smooth transition.

## BEFORE YOU ARRIVE

### Explore your study options

Go online and find out more about the 200+ degrees we offer, including entry requirements, what subjects you will study, career outcomes, and more.

[unisa.edu.au/study](https://unisa.edu.au/study)

### Check for scholarships

UniSA offers a wide range of scholarships, including the UniSA Rural Connect Scholarships, which help rural and regional students fund their relocation to study in Adelaide. Check out the online scholarships search engine to see what you may be eligible for.

[unisa.edu.au/scholarships](https://unisa.edu.au/scholarships)

### Look into accommodation

There are a variety of student accommodation options available, including UniSA's Student Accommodation by Urbanest, offering modern apartments in the heart of the Adelaide CBD. It's important to start this process early, so visit our website and connect with one of our dedicated advisers.

[unisa.edu.au/accommodation](https://unisa.edu.au/accommodation)

## AFTER YOU ARRIVE

### Access support services

We offer an extensive range of support services to help you succeed at university. From study support to personal counselling, we are here to help. Check out the resources available online or visit your local Campus Central team.

[unisa.edu.au/student-services](https://unisa.edu.au/student-services)

### Have a travel plan

Take the time to map out how you will get to and from campus. You can make the most of Adelaide being a smaller capital city and drive, cycle or catch public transport. Parking at the suburban campuses is very affordable, and bike storage and showers are available at all campuses.

[unisa.edu.au/campus-facilities](https://unisa.edu.au/campus-facilities)

## Plan your career

It's important to explore your career options and understand where your degree can take you. Our Career Services team provides on-campus advice and support, along with a variety of online resources. They can also help you to find paid or unpaid volunteer, internship and employment opportunities, and they host workshops and events throughout the year so you can develop your professional knowledge and skills.

[unisa.edu.au/careers](https://unisa.edu.au/careers)

## Study overseas

Expand your horizons through international field trips, work placements, internships, study tours, short-term programs, volunteer opportunities, conferences or a student exchange during your studies. You will graduate with a global and competitive edge, with international knowledge and experience.

*International travel is subject to Australian Government guidelines.*
